Town of Edmonston Police Department Guidelines For Ride-Along Participants

- 1. Please arrange for transportation to and from the Police Department. You will be required to wear an identification card on your outer most garment during the Ride-Along.
- 2. Please bring a personal form of identification with you consisting of either a valid driver's permit, State Motor Vehicle Administration identification card, or a birth certificate.
- 3. Please comply with mandatory safety procedures by using safety belts and other safety equipment in the police vehicle.
- 4. Be aware that you could observe an event on your Ride-Along which may require you to appear, as a witness, in a court of law.
- 5. Be aware that the waiver you sign prior to your Ride-Along releases the Town and Police Department from liability.
- 6. Your encouraged to ask questions about police work. Please keep in mind, that your host officer cannot possibly know about every incident that has occurred in the Town of Edmonston. We ask that you do not interfere with your host's officers handling of an incident. Feel free to ask questions once a specific assignment has been completed, and your assigned officer has cleared the incident.
- 7. Tape recorders are not permitted. Cameras may be used at the discretion of the host officer.
- 8. Please be aware that certain police calls are considered inherently dangerous, and it may be necessary for the host officer to drop you off at a safe location prior to responding to this type of call. The Communications Center will be advised of your location.
- 9. The Police Department welcomes your comments about your Ride-Along experience and our program. Please feel free to comment.
